

History & Heritage Days on the Harbor

Scituate Harbor, N. Scituate & beyond

Stop by Scituate Heritage Days the weekend of Friday, August 6th – Sunday, August 8th. While you're there take a walk out to the Scituate Lighthouse. On your way, stop by The Bates House to learn about two brave young girls. Check out Lawson Tower, just a short drive from the Harbor on your way to North Scituate. These historical gems are only open during Heritage days so don't miss out on this opportunity!

Take a drive down to North Scituate and stop into Board 143 to pick up your DIY Grazing Box (must register in advance and mention Hello! South Shore when picking up). Head back down to the harbor for some more Heritage Days or head over to Roht Marine just across the town line in Marshfield for sunset on the North River (and some fried seafood or a lobster roll). Tag us during your excursion in Scituate or use hashtag #hellosouthshore to be entered to win a gift card to The Galley!
